1.8.12-1.13.12 Willet recorded their new EP with Aaron Gillespie

Willet's new EP will be released on 4-3-12. Grammy nominated, Aaron Gillespie flew in to Maryland to produce their album. After Aaron Gillespie learned what the ministry of Willet is all about, he made the suggestion to change the name of the EP to "Love On The Outside". Through much prayer the band decided to make that change. With a new EP comes a new website. www.willetonline.com
